## CAREER SUMMARY

I am a self-motivated individual with exceptional organizational, time management, and interpersonal skills. My outgoing personality and customer service abilities contribute to thriving in team environments, meeting deadlines, and maintaining positive client relationships. I excel in Flutter and MERN stack development, having created impactful projects showcasing my technical proficiency. My dynamic personality, professional skills, and technical expertise make me a valuable asset, bringing innovative solutions to software development. I am eager to contribute my well-rounded skill set and passion for learning to add significant value to your team and organization.
